

# BARC ELECTRIC COOPERATIVE

P.O. Box 264  
Millboro, VA 24460

## DUSK-TO-DAWN YARD LIGHTING SERVICE

### 1. AVAILABILITY

Available to consumers taking service under Schedule A, Rural Electric Service; Schedule B, Commercial and Small Power Service; and Schedule LP, Large Power Service. (Special arrangements may be made to serve consumers other than the above when conditions demand.)

### 2. PURPOSE

To provide rural homes, farms, schools, churches, camps and businesses, etc., with an outside modern overhead light that will afford more security, safety, convenience and please to the Cooperative consumers.

### 3. SERVICE AGREEMENT

Upon application, the Cooperative will install an outside overhead light of a modern type on the premises of the consumer requesting the same. The fixture shall be equipped with a photoelectric cell or other device for providing dusk-to-dawn service.

The consumer shall notify the Cooperative if bulbs burn out, after which bulbs will be replaced by the Cooperative promptly or within 48 hours after such notification.

### 4. LIGHT OUTPUT

Lights furnished under this rate are of the high pressure sodium type and have an approximate output of 9,500 lumens.

### 5. INSTALLATION CHARGES

There will be no charge for yard lighting installation provided the Cooperative's existing facilities can be used.

If the installation requested by the Applicant requires additional poles or guy braces, a fee is required for such facilities and must be paid in advance of the installation of the yard light service. All facilities installed shall remain the property of the Cooperative.

### 6. GUARANTEE OF REVENUE

Upon making application, the Applicant will agree to guarantee revenue to the Cooperative equal to twelve times the monthly rate charged for the light installed, and monthly thereafter until notice of his desire for its discontinuance is given.

### 7. RATES

The monthly rate charged shall be that tariff filed and approved by the Virginia Corporation Commission as set forth in Schedule Y.

### 8. BILLING

No metering device will be installed and the charge for the lighting service will be added to the Applicant's regular monthly account.

## APPLICATION FOR DUSK-TO-DAWN YARD LIGHTING SERVICE

The undersigned (hereinafter called the "Applicant") hereby request the installation of dusk-to-dawn yard lighting service by the BARC Electric Cooperative (hereinafter called the "Cooperative") upon the following terms and conditions:

1. The Applicant will pay to the Cooperative's a monthly sum which will include the metered energy, yard lighting service, and wholesale power adjustment.
2. The Applicant will, after installation, continue to pay monthly charges for a period of not less than one year from the date of installation and monthly thereafter until notice is given to discontinue the service.
3. The Applicant understands that the Cooperative agrees to fulfill its obligations as set forth in Rate Schedule Y, Dusk-to-Dawn Yard Lighting Service (see back).
4. Under the conditions set forth in this application and Rate Schedule Y, Dusk-to-Dawn Lighting Service, the Applicant requests the installation of \_\_\_\_\_ yard light(s) at the total monthly cost as specified in Rate Schedule Y (plus monthly adjustments in accordance with the authorized wholesale adjustment clause as filed with the Virginia State Corporation Commission and future rate revisions as approved), to be changed to Account Number \_\_\_\_\_. Additional facilities **will/will not** be needed.
5. Applicant agrees to complete either an Overhead Easement Agreement or an Underground Easement Agreement or both under this particular Application for Dusk-to-Dawn Yard Lighting Service, and further agrees to complete either an Overhead Easement Agreement or and Underground Easement Agreement or both for all land or property owned by Applicant on which facilities of Co-op now exist.
6. Owner shall provide means for Co-op to install a Co-op padlock, along with Owner's lock, on any lockable gate or bar that now exists or may exist in the future through which Co-op must pass to repair or maintain Co-op facilities or right-of-way.
